Arrival date for the 16th WOP Lubin 2026 any

Participant registration

Verification of the required documents will take place no earlier than 7 days before the start of the 16th WOP Lubin 2026 and on an ongoing basis during its duration, in accordance with the order of arrival at the venue of the 16th WOP Lubin 2026.

Technical verification of equipment

Pilots arriving with their own equipment are required to have valid third-party liability and accident insurance. Pilots sign a declaration confirming that the glider is ready for flight and that they have all the required documents and legal provisions. The pilot is responsible for the accuracy of the data and the proper operation of the equipment.

Inauguration and closing of the 16th WOP Lubin 2026

Beginning of the 16th WOP Lubin 2026 June 13, 2026 (Saturday),
End of the 16th WOP Lubin 2026 June 28, 2026 (Sunday).

5. Management of the 16th WOP Lubin 2026

The management of the 16th WOP Lubin 2026 is appointed by the Organizer and consists of the following members:

1. Camp Management.
2. Sports Director (Task Setter).
3. Organizational Director.

6. Goals of the 16th WOP Lubin 2026

1. Improving flight skills.
2. Obtaining the requirements for licenses and badges.
3. Improving pilot qualifications.
4. Training.
5. Setting glider records.

7. Available gliders

The organizer will provide participants with single- and two-seater gliders, where available. Two-seater gliders will be available with an instructor for pilots without cross-country experience.

Due to equipment limitations, the organizer encourages participants to bring their own glider (or a club glider).

8. Minimum requirements for participants of the 16th WOP Lubin 2026

1. Fulfilled requirements for current experience – in accordance with SFCL.160, an aero-medical certificate valid for the duration of the flight, and a glider pilot logbook with a valid flight tow.
2. English proficiency.
3. Authorization for towed takeoffs (except for participants flying self-propelled gliders capable of takeoff).
4. Authorization to fly the glider type the pilot will be flying.
5. Completed registration form – available on the Organizer's website at the announced date.
6. Student pilots may participate in the 16th WOP Lubin 2026 on a conditional basis, i.e., in flight with an instructor and using their own equipment. The Organizer does not provide instructor staff for student pilots.
7. Pilots arriving with their own gliders are required to have a complete set of glider documentation and appropriate insurance required by law.

Additionally recommended::

For those wishing to conduct conditional flights, an IGC-approved GNSS recorder is required. For others, any GPS receiver capable of recording flights is required.

9. Conditions of participation

1. Completing the electronic participation application form available during registration on the Organizer's website at: <http://www.eplu.eu/formularz-wop/>
2. Submitting the completed and signed 16th WOP Participant Declaration on the day of the participant's arrival at 16th WOP Lubin 2026 (the form is available from the Organizer upon arrival at 16th WOP Lubin 2026).
3. Paying the Reservation Fee of PLN 370 within 10 days of registering for 16th WOP Lubin 2026 to the Organizer's account (please enter "Reservation Fee 16 WOP" in the transfer title). Payment of the Registration Fee guarantees and entitles you to participate in all days of 16th WOP Lubin 2026 without restrictions.
4. Participation in the 16th WOP Lubin 2026 without prior registration and payment of the Registration Fee is possible subject to availability and requires a 50 PLN Unit Fee per day of participation. In addition, registration is required and confirmation of your attendance by the Organizer at least 24 hours in advance.
5. The number of participants in the 16th WOP is limited to 40 pilots (from outside the aeroclub). In the event of a larger number of registrations, a waiting list will be created, and priority for participation in the 16th WOP Lubin 2026 will be determined by the order in which the registration fee is paid.
6. Those on the waiting list will be informed of any available spots by April 30, 2026.
7. The Organizer will provide assistance in arranging glider transport to Lubin Airport after landing in an unsuitable area. Pilots arriving with their own glider are required to have their own glider transport cart/trailer. In order to facilitate the organisation of glider transport after landing in an unsuitable area, the pilot is obliged to leave the documents and necessary keys at the Camp Management Office before departure.

Attention!

1. **Individuals whose glider reservation is confirmed by email from the Organizer are required to pay a deposit for 10 hours within 10 days of receiving information about qualifying for the 16th WOP Lubin 2026 to the Organizer's account via bank transfer, with the payment reference: Glider Reservation for 16th WOP. This amount will be settled as part of the participant's flights during the 16th WOP. This also applies to members of the Zagłębie Copper Basin Aeroclub who wish to have club equipment provided.**
2. **For individuals not affiliated with the Polish Aeroclub, 23% VAT will be added to all amounts quoted. Members of the Polish Aeroclub must present appropriate documentation confirming no arrears in dues (membership card or certificate from their home aeroclub) upon the Organizer's request.**
3. **The towing price may change in the event of a significant increase in the price of aviation fuel and the cost of renting towing aircraft.**

6. Extracurricular activities

As part of the additional activities, the Organizer plans to organize lectures and seminars on aviation topics.

7. Glider classes allowed to participate in the 16th WOP Lubin 2026

All types of single- and two-seat gliders will be eligible to participate in the 16th WOP Lubin 2026. Gliders with a take-off engine will be permitted. The Lubin airport has an asphalt runway.

8. How to park gliders

Wooden gliders will be hangared free of charge and will have priority access to hangar space, subject to availability, based on the order of admission at the 16th WOP Lubin 2026. Laminate gliders, subject to availability, will be hangared for PLN 12.30 per day. Gliders can be parked outside the hangar in a designated area designated by the Organizer free of charge. The Organizer does not provide anchoring equipment. The pilot is responsible for providing the required equipment for anchoring the glider.

9. Additional information

Participation in the 16th WOP Lubin 2026 and the Reservation Fee

Participation in the 16th WOP Lubin 2026 is possible during any chosen period of the 16th WOP Lubin 2026 (participants choose both their arrival date and length of stay). The Reservation Fee is not dependent on the duration of participation in the 16th WOP Lubin 2026 – it is fixed and non-refundable.

Participant Financial Settlement

Participants must settle their financial settlement with the Organizer before their departure from the Camp. The terms of settlement with the Organizer will be communicated to participants during registration upon arrival at the Camp Management Office and at the briefing.

Other

Any additional information will be posted on the Organizer's website. In the event of the cancellation of the 16th WOP Lubin 2026 by the Organizer, entry fees and deposits will be refunded to participants who paid them within 14 days of the official cancellation of the 16th WOP Lubin 2026.

Security and Protection of Equipment and Participants

The aerodrome is closed at night, and the entire area is fenced with a high fence topped with barbed wire.
